

Walker Release

Overview

Families living in the immediate vicinity of American Academy may choose to have their students walk to and from school instead of carpooling. American Academy must, for safety reasons, designate as "Walkers" for the whole school year those students *in Kindergarten through Grade 3* who will be walking regularly. Once you have designated your child as a Walker, you must always email or call the Front Office if for any reason they will not be walking on a particular day, or if you plan to start carpooling them instead.
